Kindergarten Questacon Excursion

Dear Parents / Carers

On Monday 20th of September, Week 5, the Kindergarten children will be heading to Questacon. While there the children will also be viewing a show called Balloonatic explaining what happens to air as it gets colder/hotter. This fits in very well with our weather unit this term. The show starts at 11:00am so we will be leaving here at 10:00am, will go to the show and then have lunch, and then spend some time exploring the centre until we are picked up at 2:15pm.

We ask that the children bring their **lunch in a disposable bag** with their name clearly labelled on their bag.

We require parent assistance for this excursion, however we are only able to take 2 parents free of charge (1 from each class). We will draw these names out of a hat to ensure fairness, however if you would like to attend and have a family Questacon pass or are happy to pay your own entry fee we would love for you to join us. We would, in fact, love to have 5 or 6 students per adult. Questacon require an adult per 10 children but we believe we would have a much better day if there were less students per adult in that space. We do request that younger siblings do not attend on this day.

Details

Date: Monday 20th of August 2018
