Year Two Excursion to Questacon

Dear Parents / Carers

Year 2 have been learning about movement and simple machines in our science unit 'I'll push you pull'. As a part of this learning we are taking Year 2 to visit Questacon. We will start the excursion by exploring the galleries. We are then seeing a show called 'Move It' at 11:00am.

We would love parents and helpers to join us at Questacon or for lunch by the lake afterwards depending on your availability. We are entitled to free entry for five adults including teachers. If you are joining us we would ask that you try and make alternate arrangements for younger children due to the supervision requirements needed at Questacon.
