

SCHOLASTIC

Book Club

Dear Parent,

NEW 'How to Order' INFORMATION

The best gift any parent can give a child is the love of books and the joy and benefits of independent reading for fun. Children who read at home, or are read to, have a head start on reading success in school.

Our school participates in the **Scholastic Book Club**. Up to twice a term, during the school year, I will send home a Club catalogue with a different selection of books offered for all ages.

You'll find award-winning books and bestsellers, as well as old and new favourites. We recommend them because the books span a wide range of children's reading levels and interests and because they are inexpensive (some books cost as little as \$2).

It is easy to order. The **Book Club LOOP** platform for parents allows you to pay by credit card. Your child's order is submitted directly to school safe and sound and the books will be delivered to class. You can place your child's order at scholastic.com.au/LOOP or using the **LOOP** app, which can be downloaded from the App Store or Google Play.

Turn this page over for simple step-by-step instructions.

Order cut-off dates are always stamped onto the catalogue and orders cannot be accepted online after this date. If you want to order and the date has passed, please get in touch with me directly on the number below. I am also happy to offer assistance with the online process.

Sincerely,

Kylie Ochsenbein
