## Year Two Excursion to Cockington Green

Dear Parents / Carers

Linking with our Geography unit titled 'All Over the World', Year 2 will be going on an excursion to Cockington Green Gardens. The excursion includes entry to the gardens, an introductory talk, an exploration of the miniature displays (including the international exhibit) with the aid of a discovery worksheet and a miniature steam train ride.

At Cockington Green students will be touring the gardens in groups of about 5 – 6 children with one parent helper or teacher per group. We will pre-arrange these groups. All admission charges will be covered so it would be great to have a few extra parents to help with supervision. If you are interested in helping out, please indicate on the permission slip below.
