2017 Swimming Program

Dear Parents and Carers

The Swim and Survive Program begins on Monday 27 November and runs every day until Friday 8 December. The Swimming Program will be held at CISAC in Belconnen. The children travel by bus to and from the centre and parents are welcome to watch their children swim. The centre will not charge you if you are just going to watch.

Children are encouraged to wear their swimmers to school under their school uniform for the duration of the swim program. We understand that keeping the sports uniform clean may be difficult so children can choose to wear either the summer uniform or the sports uniform on any day. The children will get changed out of their school uniform at school prior to leaving and then, on return, will change back into their school uniform. The children will need to bring the following items with them to school on each of the **ten** days of the program:

- a towel
- swimmers (which can be worn under the school uniform)
- thongs or slip-on-shoes to wear to and from the pool
- a t-shirt or long sleeve top (weather permitting) to wear to and from the pool
- a change of underwear

Optional:

- Goggles
- Swimming cap (a variety of caps can be bought from the *Indepth Scuba* shop)

All items must be clearly marked with your child's name on it in a suitably labelled bag. All school uniform and underwear will be left at school in the children's classroom whilst they are at the pool.

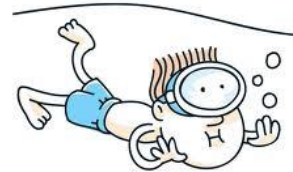

If you have any questions, please contact your child's teacher.

Regards
